CLUB MEETING

THURSDAY, MARCH 20, 8:00 P.M.

Special Club Meeting being held with the AYH and the Northeast Bicycle Club.

The guest speaker will be John Allis, three times member of the United States Olympic Bicycle Team, and prominent US road racer. John now works for Raleigh Bicycle Co. so he knows bicycles from both sides of the catalog. Those who have had the pleasure of hearing John speak know him to be very interesting and informative. Even though he has an almost exclusive background in the racing aspect of cycling, non-racers will enjoy him very much.

Refreshments will be served after the meeting.

There will also be a film by the Massachusetts Association of Retarded Citizens about the annual "Ride a Bike for the Retarded" Day.

The meeting will be held at the Hotel Commander, 16 Garden Street, Cambridge, starting at eight o'clock. Those wishing to eat before the meeting should contact Dr. Ralph Galen at 876-8636, and leave word.

The meeting and refreshments are being sponsored by the Bicycle Exchange, 3 Bow Street, Cambridge, and by New England Motobecane.

INFLATION

Fellow Cyclists, take heart. With the ever rising prices on bicycles and accessories, I was amazed to see that something was going down. I recently received the current qualification standards for the Presidential Sports Award and I see that the goal for ten-gear bicycles has gone from 1000 miles to only 650; the gimmick however is that now, instead of crediting 20 miles per day, you may only credit 13. Anyone interested in obtaining the qualifying standards on 39 sports should write to: Presidential Sports Award, PO Box 129, Radio City Station, N. Y., NY 10019
