

# RIDE CALENDAR

Jun 79  
Page 1

\* \* \* \* \*  
If you haven't dusted off your bicycle yet, now is the time  
\* to celebrate the arrival of sunshine and outdoor exercise. \*  
Join us every Sunday to explore new areas and to renew old  
\* friendships. Please remember to arrive at least 15 minutes \*  
\* prior to the starting time of the rides. Give yourself plenty \*  
\* of time to adjust your bike and to receive directions. Ride \*  
\* leaders are requested to start introductions and directions \*  
\* prior to the starting time. See you there! \*  
\* \* \* \* \*

MAY 27, SUNDAY, 10:00 A.M. - Join Kim Rich and Ronald Rich, 665-0377,  
for rides through the North Shore/Cape Ann towns of Salem, Essex,  
and Gloucester. The great scenery almost demands that you bring  
your camera. Choose from the 35 km. (22 mi.) or 66 km. (41 mi.)  
ride. Bring your own lunch for the lunch stop in Essex. The  
rides begin at the Salem Common, Rte. 1-A, Washington Sq. West.

JUNE 3, SUNDAY, 9:00 A.M. - BIKE DAY BEGINS! This year the CRW  
is leading a ride through Boston as part of the Boston Area  
Bicycle Coalition's BIKE DAY. Our leader, Don Lombardi, 731-3328,  
will take us on a 48 km. (30 mi.) "City Cycle" through Jamaica  
Pond, Arnold Arboretum, West Roxbury, to Castle Island, the Water-  
front, and end at the BABC rally on the Boston Common. From the  
Common we will take a short ride to the Bike Fair at Riverbend  
Park in Cambridge, Memorial Drive and Flagg Street (up from the  
Western Avenue Bridge). Meet Don at the Hatch Shell on the  
Esplanade on the Charles River. A demonstration of safe riding  
skills and bike inspection will start at 9:00 a.m. The ride it-  
self begins at 9:30. Celebrate BIKE DAY with us!

JUNE 10, SUNDAY, 9:00 A.M. & 10:30 A.M. - Here's your chance to  
ride in the morning and socialize in the afternoon. Eric Hall,  
965-4768, will lead a 90 km. (55 mi.) ride starting at 9 a.m.  
that will go through Needham, Dover, Medfield, Millis, Medway,  
Holliston, and Ashland. Bring your lunch for a stop at Ashland  
State Park. If you prefer to start later, Joan Campbell, 484-1045,  
will lead a 32 km. (20 mi.) ride starting at 10:30 a.m. Both rides  
start at the Newton Center municipal parking lot at Beacon and  
Center Streets. After the rides there will be a party at Eric Hall's  
home, 78 Audubon Drive, Newton. Directions will be provided from  
Newton Center to his house (5 km. away). Drinks and light refresh-  
ments will be provided.

JUNE 17, SUNDAY, 9:30 A.M. - Ride through the Westwood, Dover,  
Millis, Medway, Norfolk area with leader Carla Buerig and co-leader  
Donna Edelbaum, 599-8173 (Lynn). (You may also call 489-3141). The  
terrain is rolling with very few hills. Bring your lunch for a  
picnic in a nice scenic spot (no nearby store). Meet at the Roach  
Brothers Supermarket, Rte. 1-A, Westwood. Take exit 61 off Rte. 128  
and head west on East Street for 2 km. until you hit Rte 1-A. You  
have a choice of a 90 km. (55 mi.) loop or a 40 km. (25 mi) loop  
through this scenic area. Come out and stretch your legs and enjoy  
the sunshine!

JUNE 24, SUNDAY, 9:30 A.M. - Help Earl Forman, President, Celebrate a half-century of age by joining him for a half-century ride (50 mi. or 82 km.) through Wellesley, Needham, Dedham, Dover, Framingham, and Wayland. A shorter ride of 40 km (24 mi.) is also available. Meet at Duck Feeding Area, Rte. 128 and 30. Both rides are moderately hilly.

EXTRA! EXTRA! Harold Lewis, 332-3649, and his antique Cirkut camera will be back again to take a picture of the club - but this time with a newer camera (only 50 years old!). Harold has taken circular photographs at the opening of the Red Sox game and at the Harvard-Yale game last fall. He sells these panoramic photos through Gates & Tripp studio. Harold says he can take the picture in the morning and have it developed by the afternoon at Earl's house. The picture will be taken one-half hour before the start of the ride. Please wear your CRW jerseys.

JULY 1, SUNDAY - Join Dr. Gene Gaston for a ride through the Framingham area (more details next month). Dr. Gaston will be giving free blood tests to evaluate cholesterol and triglycerides that can cause heart disease. Hopefully his tests will show that cyclists have lower levels of these substances than the general public.

JULY 8, SUNDAY, 10:30 A.M. - Ride with Dick and Muriel Wagg, 438-3129, through the towns of Wakefield, North Reading, and Lynnfield on an easy-to-moderate route. Lunch will be at the bandstand in North Reading; bring your own lunch or buy light snacks at a nearby variety store. The longer loop is 60 km. (37 mi.) and the shorter is 32 km. (20 mi.). Meet at the bandstand at the southern end of Lake Quannapowitt in Wakefield on Rte. 129.

## BIKE DAY ACTIVITIES - JUNE 3

9:00 A.M. - The CRW leads a "City Cycle" ride from the Hatch Shell, through parts of Boston, and ends at the Boston Common rally.

11:00 A.M. - Bike caravans will leave various locations to ride to the Boston Common rally. Contact Boston Area Bicycle Coalition for more details.

12:00 noon - The BABC will hold a rally of bicyclists on the Boston Common. Speakers from various environmental and state agencies will be addressing the rally.

1:00 P.M. - A mass ride from the Boston Common will go to the Bike Fair in Cambridge at Riverbend Park in Cambridge (up from the Western Avenue Bridge).

1 - 4 P.M. - The Bike Fair will be held at Riverbend Park. Exhibits, demonstrations, and the sun will be present. The CRW will again have its information booth. See you there.

## Free Wheeling Thoughts

The diversity of individual cyclists is one of bicycling's major strengths and for me one of its major attractions. As represented by our own CRW we range in age from teens to late seventies, have representatives of a multitude of ethnic and racial backgrounds (although I have some concern about our relatively low black membership) and represent occupations ranging from teachers to laborers to factory workers to accountants to astrophysicists (well at least one). Just as an aside some of you may have seen or will want to see the article in the Nov. 1978 "Scientific American" by CRW's bicycling astrophysicist, Paul Gorenstein on "Rich Clusters of Galaxies".

There is one other attractive quality that characterizes avid bicyclists that I admire greatly. That is their independence of thought and action. The committed cyclist, particularly the commuter is viewed by the general public as something of a character if not a oddity or a crackpot. All of us have experienced the reaction of awe tinged with a mixture of admiration plus a dash of disbelief (in our sanity?) when we say that we went on a bike ride of 30, 50, 80! miles. Bicyclists are out of the mainstream, proud and independent and that too is good.

However these very same traits of independence and diversity and just a bit of eccentricity acts against us in some instance. What I have in mind is our inability to generate a single coherent and effective stance when our own interests are at stake. Too often we act in a fragmented manner presenting no uniform voice or worse, allowing some narrow specialized voice to represent us.

There are two events/issues that are coming up in which I think it is important that we put aside our individualism and act in concert. The first is "Bike Day" on June 3rd which is being put on by the Boston Area Bicycle Coalition (BABC) and which we, the CRW, endorse. We will participate by having our CRW ride that Sunday terminate at the Bike Fair which culminates the day and we want as many as possible to join the commuter caravan into Boston planned for the following day. I'd like to see an extra large CRW contingent participating in "Bike Day" in order to help make it a success and particularly to give evidence of our presence as a major adult cycling constituency to be dealt with.

The second and even more important issue is the second and probably final round of the "Bottle Bill" in Massachusetts. I don't think the issue can be raised again if it is defeated again. I think there is little controversy as to where our interests lay as bicyclists. I urge you all to get politically involved in this issue, by contacting your senator and representative and if possible by volunteering to help the lobbying efforts to pass the "Bottle Bill".

The tires you save will be your own.

One final note on a totally separate issue. I want to thank all of you for your cooperation and endorsement that made me eligible for the Dr. Percy Anderson Service Award that you honored me with at our banquet. I am pleased that you have recognized my contributions as a service. But one cannot serve alone or in a vacuum and I have many of you, our members and our Board, to thank for doing the things that make my efforts functional. Thanks again.

*Earl Forman*

#### BIKE DAY VOLUNTEERS NEEDED

Last year the CRW had a very successful Bike Day booth. We handed out hundreds of leaflets and LAW magazines. We plan to do the same thing this year. All the materials are ready, but we need people to be at the booth to talk to interested cyclists as well as distribute printed information. We especially need someone with a car who can bring the booth materials from my house in Somerville to the Bike Fair in Cambridge. If you would like to help out, give me a call at 666-8571.

#### New England Women's Sport Association Kicks Off

In March, 1979, the Women's Sports Foundation began its New England chapter - the New England Women's Sports Association (WSA), located at 11 Newbury Street, Boston, Ma. 02116 (617-267-3456). The purpose of the WSA is to encourage women to participate in sports in the New England area. Annual membership dues are \$15 and include a subscription to Women's Sports Magazine, as well as the quarterly WSA newsletter. WSA will hold three general meetings a year. The first general meeting took place on April 2, 1979.

For more information call or write the WSA. Contact persons are: Dusty Rhodes or Judy Ferguson.

**..GET THAT BIKE OUT & RIDE..**

THE HUB

Notes from the VP. of Rides

I am pleased to report that the ride season has started off well. We have had a large turnout of riders and owe a special thanks to Dave Johanson for his publicity efforts in ensuring that we are in the Sports Plus Section of the Globe every Friday. We have an abundance of people volunteering to be ride leaders, including some new members. We have a wider geographic distribution of ride locations; and, due to the requests of many members, we have earlier starting times for some of the rides. In addition, several people have offered their back yards for post-ride gatherings, and Bill Piekos is still able to donate food and drinks as he generously did last year.

I am in the process of completing a notebook containing maps of past CRW rides, contributed by the ride leaders. Until we can find a more accessible place for it, I will keep the notebook at my home. However, anyone interested in a particular route should call me and I will be glad to xerox the one you want and send it.

It was suggested that because of the gas shortage more members may want to share cars to get to the beginning of a ride. As a result, I am looking for people who are willing to have their names and towns listed in Wheelpeople every month so people in different areas of Boston can call for a car ride. The following people have volunteered to give a lift to people who need a ride to the beginning of a club ride:

Earl Forman - Weston  
Debra Glassman & Mark Roseman - Belmont  
John Kane - Medford  
Nancy Peacock - Somerville

I am eager to have bicycle clinics on basic bicycle skills and repairs. These clinics would start one-half hour before the rides; I am looking for volunteers to conduct these clinics.

In summary, volunteers are needed who can:

1. Donate their back yards for post-ride gatherings
2. Conduct bicycle clinics before the start of rides
3. Join the list in the newsletter of those willing to give automobile rides to others
4. Co-lead a ride
5. Lead the rides on September 2 or November 25

I would like to thank the many people who have already contributed their help and enthusiasm to the rides program. I am looking forward to working together with you for the rest of the season.

## HUNGRY CYCLISTS ENJOY AWARDS BANQUET

Over 70 members attended the Annual Awards Banquet at the Yangtze River Restaurant in Lexington. Uncountable courses of delicious Chinese food were served to the delight of CRW members.

38 people received door prizes from the master of ceremonies, John Kane. John presented the Dr. Percy Anderson Service Award to Earl Forman, and awards of appreciation to Don Blake, Debra Glassman, Bill Piekos, and Cutler West. Ralph Galen received a "#1" club jersey for his efforts in founding and helping the club over the years.

Ralph Hirsch, LAW Legislative Coordinator, gave the key speech concerning legislative matters that cyclists should be aware of. His approach is to work with other groups to influence Congress in matters pertaining to cycling. The LAW is not yet large enough to fight major battles by itself; it needs to keep growing.

If you weren't there, you missed a lot of good food (even Al Basso got honorary hamburgers). You also missed a great opportunity to meet other cyclists off their bikes.

The following bike shops and people donated door prizes:

The Bicycle Exchange, Cambridge  
Belmont Cyclery, Belmont  
Cycle Loft, Lexington  
Mystic Cycle, Somerville  
Life Cycle, Cambridge  
Newtonville Camera, Newtonville  
Malden Cycle Center, Malden  
Harris Cyclery, Newton  
International Bicycle Center, Brighton  
Waltham Cycle, Waltham  
Winchester Wheel Works, Winchester

## CONSTITUTION

AND

BY-LAWS

THE CHARLES RIVER WHEELMEN, INCORPORATED

### CONSTITUTION

- I. **Name**  
The name of this corporation shall be The Charles River Wheelmen, Incorporated. It is also referred herein as CRW.
- II. **Purpose**  
The purpose of the CRW is the enjoyment and advancement of cycling and of other healthful sports, through sponsorship of rides and other social gatherings, through cooperative activities with other organizations, through encouragement of favorable actions by government and private industry, through publicity of the benefits of cycling, through education of the cycling fraternity and the general public, and through other suitable means.
- III. **Government**  
The affairs of CRW shall be administered by the Board of Directors and by the Officers, as prescribed in this Constitution and in the By-laws.
- IV. **Board of Directors**
- The duties of the Board of Directors shall include the following:
    - Amendment of the By-laws when appropriate. A simple majority of those Directors present and voting is required.
    - Establishment of CRW policies in accordance with section II above.
    - Evaluation and approval of CRW budgets and general plans.
    - Submission of an Annual Report at the Annual Meeting.
    - Selection of the President by majority vote.
    - Selection of an Auditor, who shall make a general and independent annual audit of the financial records of the CRW and render a report of findings to the Board.
  - Membership of the Board:
    - The Board of Directors shall consist of nine Directors elected by the general membership, and the CRW President elected by the Board, during his term of office. The term 'Director' as used herein shall include the President as well as the nine elected by the membership. The term of office of the nine shall be three consecutive years, three members to be elected each year. A Director may not serve more than two full three-year terms in succession. The term of the CRW President shall be one year. In no event shall the President serve for more than two consecutive years.
    - Directors shall be eligible for appointment to any officership, or to any Committee.
    - The Board shall meet within two weeks of its election and shall elect its Chairman from among its own membership.
    - A Recording Secretary shall be selected by the Board but need not be a Director.
3. Meetings of the Board:
  - The Board shall meet at such times as the Chairman shall designate, or when one-third of the Directors request that a meeting be called. At least four meetings shall be held in each year.
  - A quorum of the Board shall consist of five Directors.
  - The Chairman is responsible for notifying the Directors of a scheduled meeting, at least ten days prior to such meeting, unless the ten-day notice has been waived by all Directors.
  - In the event that a member is absent from 4 out of 5 consecutive meetings, the Board shall vote on sustaining his membership in the Board.
- V. **Adoption**  
An affirmative vote of two-thirds of the membership ballots returned within ten days after mailing shall suffice for adoption of this Constitution, abstentions not being counted. It shall become effective on the first day of the next month.  
Date of ballot mailing (First class): August 28, 1972  
Deadline for returns: September 7, 1972  
Date of effectiveness: October 1, 1972
- VI. **Amendment**  
An amendment may be proposed by the Board of Directors or by any member who presents to the Recording Secretary a petition signed by at least ten percent of the members. The proposed amendment shall be discussed and perfected as to form by the Board of Directors or by a Committee appointed by the sponsor of the amendment. This reviewing body shall deliver in final form to the Recording Secretary, who shall mail it First Class within 21 days to each member. This Constitution shall be amended only by an affirmative vote of two-thirds of the membership ballots returned within ten days after mailing, abstentions not being counted. The amendment, if approved, shall become effective on the first day of the next month.
- VII. **Dissolution**  
The CRW may effect its own dissolution only upon the Board's presenting a ballot to the members, by First Class mail. An affirmative vote of two-thirds of the ballots returned within ten days shall be required, abstentions not being counted.

June 1979

THE CHARLES RIVER WHEELMEN, INCORPORATED

BYLAWS

(originally adopted 14 February, 1973)  
(amended 16 February, 1978,  
7 August, 1978, and 10 April, 1979)

I. Officers

1. The President shall be the chief executive officer, reporting to the Board of Directors, and shall have general supervision over the activities of CRW. The President shall appoint all other officers and establish committees, delegating such powers as s/he shall see fit.
2. The President's staff shall include at least the following officers and committees:
  - a. The Executive Vice-President shall assist the President in administration and shall be responsible for the duties of the President in the latter's absence.
  - b. The Vice-President of Rides shall be responsible for the riding program.
  - c. The Secretary shall keep records of club meetings and of meetings of the officers, conduct general correspondence, keep an accurate and current record of membership (as provided by the Membership Committee), present an Annual Report at the Annual Meeting, and arrange for printing, stationery, postage, and operating supplies.
  - d. The Treasurer shall receive and expend funds of CRW on proper certification, subject to the approval of the President. S/he shall keep records of moneys received and expended, provide the President with financial data and analyses upon request, prepare a monthly financial statement, and prepare an annual budget which recommends fees and dues schedules. The Treasurer shall present an Annual Report at the Annual Meeting.
  - e. The Membership Committee shall process membership applications, keep records, and perform other appropriate tasks. It shall keep the Secretary informed of current members at all times.
  - f. The Editor shall edit and publish a newsletter listing upcoming rides and events, members' opinions, views of the President, and other information pertaining to bicycling and the CRW.
3. The President may organize the CRW staff as seems fit, and may appoint officers and committees at his/her discretion.
4. These officers have no fixed term, with the exception of the Presidency. An officer may be dismissed by the President, by a two-thirds vote of the Board of Directors, or by resignation.

II. Membership

There shall be the following kinds of memberships:

1. Regular Memberships:
  - a. Individual: The individual member is at least 16 years of age. The member shall have one vote.
  - b. Family: The holder of a family membership has two votes. All immediate family members are included.  
Individual and family members shall also hold membership in the League of American Wheelmen. If an applicant is already a member of the League, the applicant shall show evidence of League membership.
2. Promotional Memberships:
  - a. Honorary: A person not a member of the CRW, whose actions have benefitted cycling in some way, may be designated an honorary member of CRW by a duly authorized Awards Committee. An Honorary member neither votes nor pays dues in CRW.
  - b. Associate: By arrangement with a duly authorized committee, a bicycle business enterprise may become an associate member. The associate member may grant one individual membership in CRW. This individual member shall have all rights and privileges attendant thereto.
  - c. Special: A special 3-month membership with no voting privilege is extended to persons who have submitted special membership applications received from an associate member.

III. Publications

There shall be the following kinds of publications:

1. Monthly bulletin: Prepared and published by the Editor. It shall be called Wheelpeople. The Editor shall provide the treasurer and the Board with costs associated with publishing Wheelpeople.
2. Special publications: Special pamphlets, membership applications, and leaflets may be published by special committees designated by the President from time to time.

VII. Amendments

These Bylaws shall only be amended by vote of a majority of the Directors present at a meeting of the Board. Normally the Directors shall be notified of the nature of any proposed amendments ten days in advance of the meeting. Such amendments shall become effective upon adoption. Amendments proposed without prior notification shall become effective 30 days after adoption.

VIII. Precedence

In case of conflict between provisions of the Constitution and of these Bylaws, the Constitution shall take precedence.

IX. Adoption

These initial Bylaws shall become effective upon adoption by the Board.

IV. Election of the Board of Directors

1. A Nominating Committee, appointed by the Board of Directors and announced to the membership no later than September 1, shall select a list of nominees for the Board vacancies to be filled and shall circulate it to the membership no later than October 1. Nominations may also be submitted to the Nominating Committee by a regular member no later than October 15.
2. Election shall be by ballot mailed First Class to the membership no later than the first week in November and returned by mail or in person to the Board of Directors within three weeks for tally and submission of the results at the November meeting.
3. In the event of vacancies on the Board, the remaining members shall choose replacements to serve until the next scheduled election. At this time there shall be duly nominated and elected by the membership a replacement for the unexpired term of the vacated position.
4. A Board member's term shall begin on November 15.
5. The President's term shall begin on December 1.

V. Meetings

Regular meetings of the CRW shall be held monthly from October to March, the December meeting being optional. An Awards Banquet shall be scheduled in April for honoring CRW members and distinguished non-members. The Awards Banquet shall also serve as the Annual Meeting of the membership.

VI. Fiscal Policy

1. All expenditures (with the exception of bulletin expenditures) over \$40 must have prior approval of the Board. Smaller amounts can be approved by the President, but must be presented to the Board at the next scheduled Board meeting.
2. The fiscal year begins January 1 and ends December 31.

A LETTER FROM A MEMBER

April 16, 1979

For the second year in a row I am unable to attend the CRW Awards Banquet. As the Eastern Regional Vice-President of A.Y.H., I will be once again chairing the spring regional meeting while you are having fun at the Yangtze River Restaurant. However, I want you to know that my heart will be in Lexington with all of you.

Please express to the club members my deep appreciation for the recognition which they gave me last year. It came as a total surprise. The beautiful plaque occupies a place of honor in my room. To me it represents all the hours I have spent planning bike rides and leading new cyclists in their neophyte experiences on the road.

Although many of the newer CRW members have not met me on a ride, and may even question my existence, I want them to know that I continue to carry the "club banner" wherever I ride or speak.

Sincerely,  
Donna Haines

The following is condensed from the Boston AYH's FOOTNOTES:

SOUTHWEST CORRIDOR PROJECT  
by Les Spaiser - Bike Facilities Committee

On Feb. 13 I submitted a position paper to principals involved in designing of the so-called "Southwest Corridor Park" on behalf of AYH. This park will be built on a strip of land running from Back Bay to the Forest Hills station area and was originally the right-of-way for the now abandoned downtown section of I-95. The plan is to create a "linear park" including facilities such as walking paths and a bike path from one end to the other.

The AYH, along with the BABC, was asked to review the proposed plans to offer a "cyclist input" into the project. Briefly, our position on the Corridor Project is cautious endorsement of the plan, subject to the acceptance of our advice regarding safety at intersections. We do not, however, view the proposed bikeway as a reasonable commuter route and recommend development of a Class II bikeway on the streets parallel to the park system. We feel the linear park bikeway has potential as a recreational route especially if, as proposed, it is connected with existing parkland and other bikeways. Connections are proposed to the Fens, Franklin Park, and the East Coast Bicycle Trail at Jamaica Pond. Anyone desiring a copy of our position paper may obtain one by writing to:  
Les Spaiser, PO Box 852, Brookline Village, MA 02147; 227-4538.

Two CRW members, Joe O'Connor and John Kane, are on the AYH Bike Facilities Committee.
